Pointed Shotgun at Two Men

When two men went to Altona City tip they were accosted by a man who pointed a loaded shotgun at them.

At Williamstown Court on Friday Giuseppe Cugliari, formerly of the Altona City Tip, Blackshaws Road, but who has now left Victoria, was fined \$20 for using obscene language, \$50 each on two cases of assault, and \$50 for being armed with a shotgun with felonious intent.

Mr. J. Hanykyr, of Marsh Street, Altona North, said at about 5 p.m. on December 10 he and his shop assistant went in his truck to the Altona tip. It was raining heavily and the road was muddy. As they entered

the tip they passed a woman wheeling a pram and slowed down so as not to splash her.

After unloading the truck he was driving back to the gates when he saw a man with a gun. The man was swearing and when Mr. Hanykyr asked him what was wrong he used obscene language at them. The man then put a cartridge in the gun and pointed it at them. Mr. Hanykyr said he was frightened because he thought the man was going to shoot them, so he drove away.

Mr. Boris Beljajev, of Railway Avenue, Armadale, who went to the tip with Mr. Hanykyr, said they had only driven slowly to the tip because the road was muddy and they did not want to splash the lady pushing the pram. When they were coming back he saw a man in the middle of the path with a gun.

The man was swearing and he put a cartridge in the gun. Mr. Beljajev said he also thought the man was going to shoot them and he told Mr. Hanykyr to drive

away.

Const. Piper told the court that he went to the tip and spoke to Cugliari and asked him if he had threatened the two men with the gun and Cugliari denied it.

In a statement Cugliari said he had been out with the gun early in the afternoon to try and shoot some snakes. At about 5 p.m. his wife returned home, covered in mud, saying she had been splashed by a truck. He had gone out of his house to meet his wife, but had left the gun behind. He said he called out to the driver of the truck, but that was all.

Fishing Competition For Young Anglers

Local Pier Street sports store proprietor, Mr. Ken Kim, will donate a prize of 500 yards of nylon fishing line for the largest fish caught in each month off the Altona pier.

To be eligible for the prize all fish caught must be weighed in at Ken Kim's Sports Store.

FAILED TO REGISTER FOR N.S.

Two men who had each failed to register for National Service appeared before Williamstown Court on Friday.

Samuel Rossi, of Blackshaws Rd., Altona North, was fined \$50 and Carmelo Trifilo, of Maidstone St., Altona, was fined \$40. They were each ordered to pay \$11.50 costs.

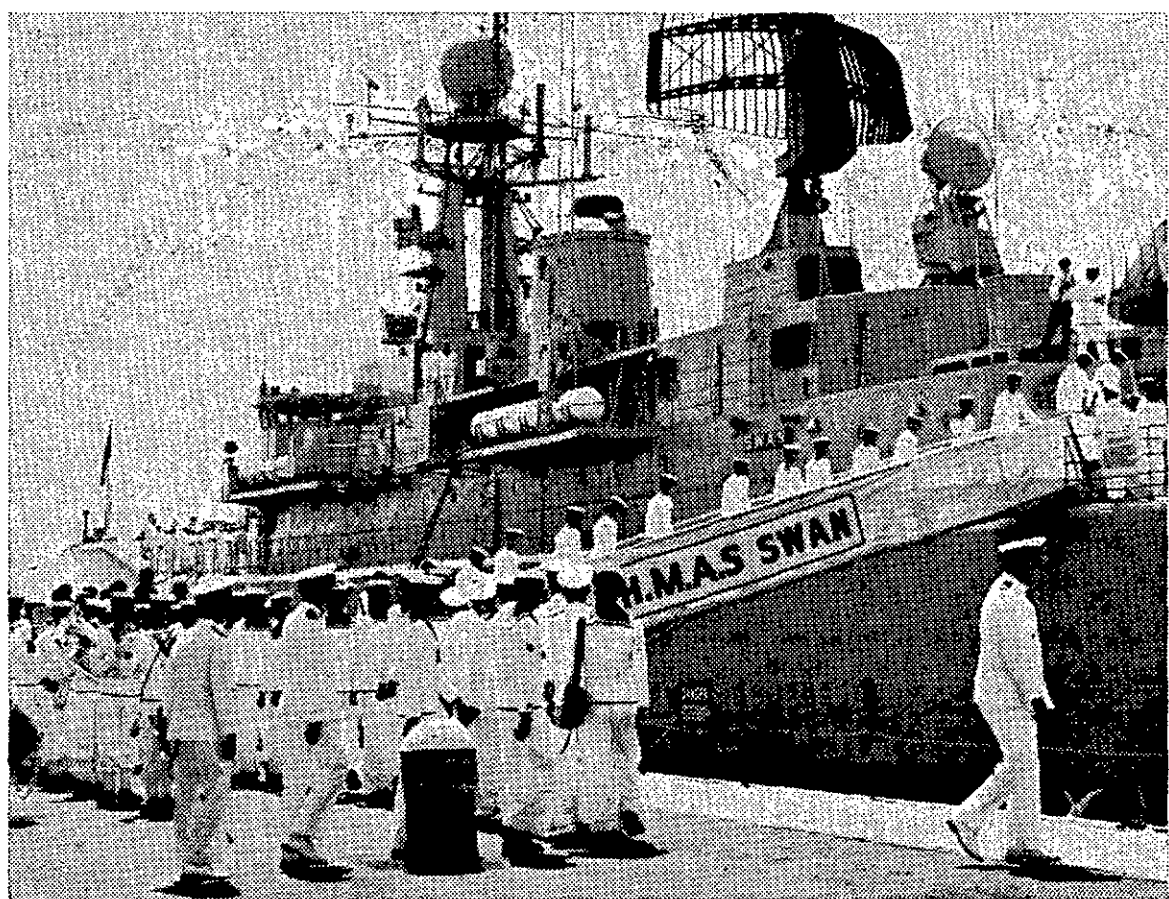

Const. Corfield said Rossi, who was born in Italy,

had lived in Australia since 1961. He should have registered for National Service in January 1967, but did not do so.

Rossi told the court that he had not registered because he did not know he had to do so.

Const. Keegan said Trifilo, a native of Sicily, should have registered in January 1968, but did not do so until during 1969.

HMAS Swan Commissioned

The latest addition to the Australian fleet, HMAS Swan, commissions at Williamstown Naval Dockyard and members of her ship's company file on board for the first time.

HMAS Swan, which was built and launched at Williamstown, officially became part of the Royal Australian Navy on Tuesday morning.

The commissioning ceremony was held at Williamstown Naval Dockyard. The ship's complement of 250 officers and sailors stood in silence as the captain, Commander D. W. Falconer, read the commissioning warrant, issued by Rear Admiral H. D. Stevenson, Flag Officer of the Australian Fleet.

The ship was then blessed by the three chaplains, Chaplain W. Wheelodon, Fr. G. Mayne and Chaplain W. Llewellyn. After the sailors and guests had joined in the singing of the naval hymn, "Eternal Father, strong to save", the National Anthem

was played as the Royal Ensign was raised for the first time.

Captain Falconer was then piped aboard his ship, and was followed by his officers and sailors, who marched aboard to the strains of "Waltzing Matilda" played by the band of HMAS Cerberus.

The guests and members of the public were then allowed onto the ship and were shown around her by the sailors.

Built at a cost of \$22 million, Swan is similar in

many ways to the present "Type 12" destroyer escorts, but she has many improvements in her design and equipment to increase fighting efficiency and reduce weight, size, space and cost.

These include the extensive use of aluminium for construction, which allows extra deck space, and improvements in accommodation and facilities for both officers and sailors. She is also the first ship in the Royal Australian Navy to have automatic steering.

Work on building the Swan started in August 1965

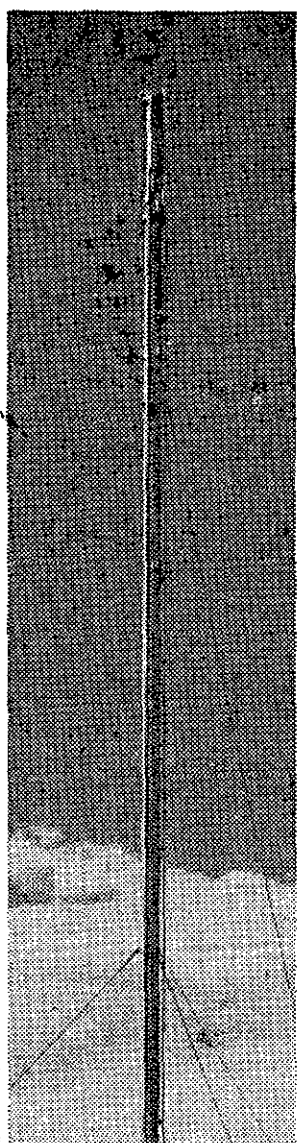

and she was launched from Williamstown in December 1967.

Her armament includes guns controlled by radar and computer, and an anti-submarine missile system.

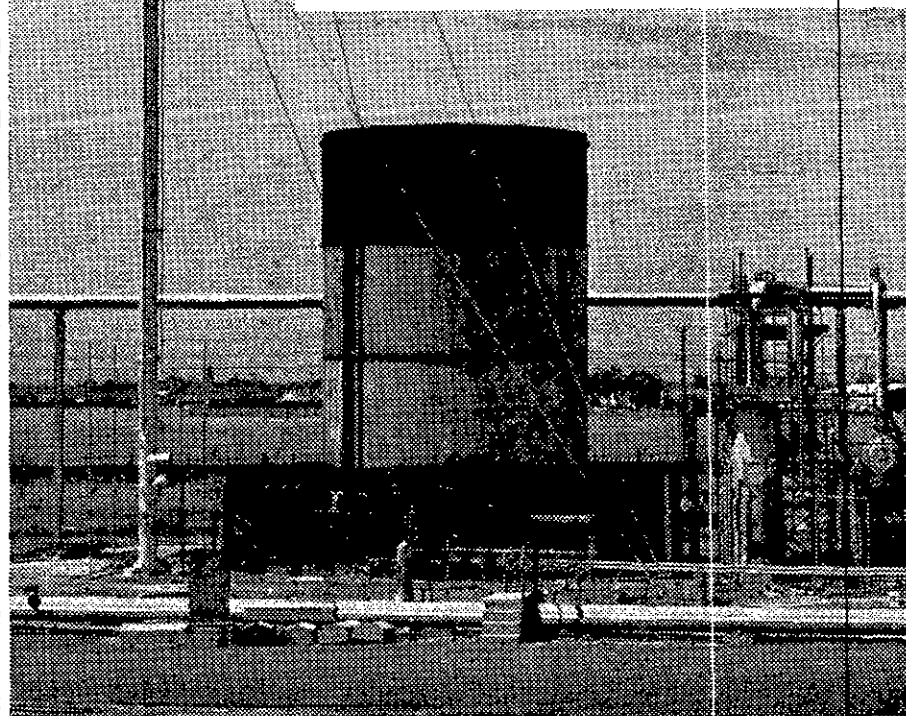

She is the 25th ship in the Royal Navy to be called "Swan" and the third in the Royal Australian Navy.

She will complete her final fitting out at the dockyard and set her weapons systems to work before becoming an active member of the Australian Fleet.

The Old and the New

The tall silver structure on the left of the above photograph is Altona Petrochemical Company's new 150 feet high smokeless flare. The small squat chimney on the right of the new flare has been taken out of service and will be demolished by the end of next month. The main feature of the new flare is a specially designed burner tip imported from the USA and recognised world-wide to be the most efficient flare burner tip available. Steam is automatically mixed at the burner with the gas to be burnt resulting in the smokeless burning of the flared gas. The new flare, which cost \$50,000, will be in operation before the next plant shutdown currently scheduled for early next month.

Twins Join Railways

Among the 241 apprentices who started with the Victorian Railways on Monday, January 19, were two sets of twins (from left) Geoffrey and John Humphries, from Sunshine, and Glen and Robin Morgan, from Altona, shown talking with Mr. I. G. Hodges, the Victorian Railways Chief Electrical Engineer, who is also Chairman of the V.R. Apprentices Advisory Committee.

Mr. Hodges, representing the Victorian Railways Commissioners, officially welcomed the lads into the railway team.

"For most of you this is your first job and for many it will be a life-time career, but remember what you put into it will govern what you will get out of it", Mr. Hodges said.

"The railways have put a lot of effort into selecting you, and it is people like you that they depend upon for the smooth operations of the railways", he added.

LOCAL EMPLOYMENT

It is a reasonably based assumption that to satisfy the needs of its people industrial establishments should supply employment for a number equal to 15% of the area's population.

If the percentage diverges below this figure, more people will need to travel outside their localities for work. The opposite trend of course applies for figures above 15% where people must come into the area from other districts.

Twenty-four cities of Melbourne have percentages of below 14 or 15%, only fifteen cities have higher. Altona's figure of 10.9% is related to local industry employment of 2923 employees. At the 1961 census local industry gave employment to 1994 workers — this figure related to population equalled 12.3%. In spite of extensive new industry in Altona its employment capacity is less than eight years ago.

Williamstown where the number employed in local industry is equal to 32.6% of its population gives a much better opportunity for local employment. In fact most of its workers come daily from other suburbs.

CURROW — MARSH WEDDING

(Photo by courtesy Barry M. Sutton—397-6017)

St. Eanswythe's Young Wives

The first meeting of St. Eanswythe's Anglican Church Young Wives will be held at the home of Mrs. Marg Duckett, 161 Blyth Street, Altona, on February 10, at 8 p.m. Phone number is 398-1220.

The theme of the evening is "Getting to Know You". A cordial invitation is extended to all Young Wives to join in this fellowship.

An interesting program for the year has been arranged and members will meet in private homes until the completion of the new Parish Hall.

Mr. and Mrs. Bryan Currow smile from the bridal car after their marriage on January 17 at Holy Trinity Church, Williamstown. The bride is the former Pauline Marsh, younger daughter of Mr. and Mrs. J. A. Marsh, of Curlew Avenue, Altona. The groom is the second son of Mr. and Mrs. S. Currow, of Ford Street, Altona. A chiffon coat trimmed with lace and falling into a train was worn by the bride over her chiffon frock with a lace bodice. She wore a three tiered veil held in place by a cluster of roses and she carried a sheath of roses and irises. Matron of Honour was the bride's sister, Mrs. Kathleen Syme, and flowergirl was her niece, Donna Syme. Both wore lipstick pink crystal nylon over satin gowns, had pink roses in their hair and carried white posies tied with lipstick ribbon. Best man was the bride's brother-in-law and the groom's life-long friend, Douglas Syme. The bride's mother wore white accessories with her navy blue and white spotted ensemble. A light blue ensemble and navy blue accessories were worn by the groom's mother. Sixty guests attended the reception at the bride's home. The bride's going-away-outfit was a lime green crocheted ensemble and navy accessories. The couple are honeymooning at Mildura.

EDITORIAL

POLLUTION

We have the lot. Air pollution, water pollution, beach pollution and even verbal pollution have been evidenced in a few weeks in Altona.

Recent pronouncements by Mr. Swanson of the Melbourne Harbour Trust and the Minister for Health, Hon. V. O. Dickie, show that the problems are not in any way peculiar to Altona.

Pollution and perhaps more importantly stream pollution is widespread.

That fact does not absolve the Altona Council and those government bodies with authorization in this locality from their entire responsibility to reduce the incidence of pollution and to minimise its growth.

For the present some sources of pollution must continue — the unsewered property, the motor car, every house and factory chimney, and all dust heaps. In Altona the major sources of pollution are the Kororoit Creek, the Mulga Street and Civic Parade drains, the briquette dump, seaweed, garbage disposal, certain industries and air borne pollution from other cities.

It is the prime essential that no menace to health be permitted. Health authorities and Council must make and enforce regulations with that aim. Cost must not be a limiting factor.

What is necessary must take precedence over what may be considered practical or expedient.

STOLEN SURFBOARD IN CAR

When police stopped a car which had been travelling in Williamstown with an open rear door, they found a stolen surf board inside.

Graham Broadfoot, of Wood St., Newport, and Wayne Chitty of Truman St., South Kingsville, both admitted stealing the surfboard, valued at \$92. Broadfoot also admitted driving with a blood count of more than .05 and failing to keep to the left hand carriageway.

Const. Jenkins told the court that he saw Broadfoot drive from Douglas Parade into Stevedore St. He noticed the car because one of the rear doors on the car was open. He followed the car which, in John St., travelled on the wrong side of the road. The open door was missing parked cars by only a few inches.

When he stopped the car he saw there was a surfboard in the back. He noticed that Broadfoot's breath smelt of alcohol so he took him to the police station where a breath test was taken and this showed a blood count of .110. He then learned that the surfboard had been stolen and so went back to the car. There he saw Chitty who admitted having stolen the board. He said he did not want to get Broadfoot into trouble. They had been drinking and then saw a car with the board on top and he suddenly got an urge to take it. He said he would never have done it if he had been sober. Broadfoot was fined \$60 and disqualified from obtaining a licence for three months for driving with a blood count of more than .05 and he was fined \$15 for failing to keep to the left of the road. Chitty was fined \$100 for stealing the surfboard.

Val's Column

Hello Girls,

Make sure this week to see Revlon's four gold-frost lipsticks. Warm, mouth-coloured frosts, that new shade you just have not been able to find.

While with us, glance at the matching nail enamels. Dainty, glittering gold. Flesh colouring frosts.

Four cool-feeling delicious on-the-mouth lipsticks. Gold shimmering nails. Gorgeous. Very much so. Nothing more feminine. Whether you wear maxi or mini.

Girls! "Avert" spray. Those days; special days. Intimate, feminine deodorant spray—this is the other deodorant that every woman should have. "Avert" effectively and gently deals with any embarrassment. Use each day to keep fresh and feminine. When you are tense, or when days are hot and hectic—on those special days.

Doesn't a dark tan look terrific?

Beware though, girls. All that sunshine is draining away at your skin moisture. Use loads of moisturiser to all exposed areas. That enviable colour can cause you years of worry—aging years.

Your neck needs as much pampering as your face; it is seen as often.

Revlon, Cyclax, Coty, Dorothy Gray, all can help you with special neck & throat creams. Now is the time to start. Right now.

A crepe dress is one thing, a crepey neck another.

Let's see, what other summer problems? Dry, strawy hair?

Use a conditioner regularly, or a cream rinse that is let in the hair. Use a shampoo especially for your hair type. Pick a suitable hair spray. Cover up when spending long periods in the sun.

A glowing nose? Spoils the picture come evening. Use a coverstick, covermark, specified nose, lip sunshield cream. Or the sun visor-nose shield.

Frowning brow? Sun burn cream, practicable dark glasses—and no worries.

Now brighten up, you can't have all these—we all have some good points.

THE CURTAIN RISES

On Saturday, February 7, the Williamstown Little Theatre's Children's Theatre will commence its second year of classes.

This junior offshoot of the theatre was formed at the request of a number of parents whose children were interested in theatre and who felt that some rudimentary education in speech and drama would be of value to them.

Approximately 30 children attended last year's course and their efforts culminated in a delightful presentation of the children's play "The Stolen Prince" which the children staged with assurance on Saturday, December 13, after which they entertained their friends and relations at a most enjoyable break-up party.

This year the theatre has been able to secure the services of E. Ronald Little, L.A.S.A., as director of the children's theatre. Mr. Little is not only an experienced actor/producer, but also a full time professional speech and drama tutor, conducting classes both privately and for the Council for Adult Education. He has made film and television appearances

and is well known as an appointment will ensure that the budding young actors and actresses of Williamstown will receive the best possible tuition.

Rehearsals for Vin Foster's production of "Black Comedy and White Lies" are now well under way and this play promises to get Williamstown's theatrical season off to a flying start. More details of this later.

The theatre needs manpower, not only in the acting field, but also to staff the many activities which form an integral part of its activities.

If you can sew, paint walls, knock nails in wood, brew tea, vacuum carpets, make a dollar's worth of Hong Kong teapot look like a genuine piece of authentic wedgewood China, if you have an unlimited capacity for hard work and enjoyment ring 397-6551 during business hours.

Give it a try, what can you lose except your boredom.

LETTERS TO THE EDITOR

Dear Sir,

When God created the Earth He meant it for all people to enjoy.

Unfortunately there are a number of factories who in their pursuit of the almighty dollar give little or no regard to their poisoning of the atmosphere.

For one to deny or attempt to whitewash pollution in Altona is the height of sheer folly.

Living in Altona North, we can regularly be assured of seeing a prominent landmark consistently belching forth with great clouds of black smoke, providing favourable winds are assured, a not too welcome bath of briquette dust can be expected.

Income derived from large industrial interests is fine, but, must the profits of a few overshadow the health of thousands.

If millions of dollars are available to build these factories, they must be forced into stopping this reckless disregard for health by installing fail-proof methods.

All workers and citizens of Altona should register their protest in writing and present a solid front to let the council be aware of their feelings.

First Altona was labelled with the tag of "Seaweed City". Don't let it become "Death Valley".

Yours faithfully,

K. L. BERRIE,
D.L.P. Candidate,
Melb. West Province.

Dear Sir,

The Shire Engineer's opinion of a reasonably well cleaned beach and the rate-payers' are obviously poles apart.

What an inane statement to make "that the beach was reasonably cleaned before the holidays" (Star, 14-1-70).

Mrs. MacLeod stated in her letter that Sandringham Council cleans its beach every day during peak season.

What an indictment on the "progressive" Altona Council and its head in the sand (or should I say seaweed) attitude. I wouldn't even let a dog swim in the area between the two piers.

After a trip down there one day registering 101 degrees, I brought my children

Altona Petrochemical Co. Maintenance

The Altona Petrochemical Company has announced that its plant in Maidstone Street, Altona, will be shut down for approximately two weeks, commencing Monday next, February 2, for inspection, cleaning and repairs.

Inspection of the pressure equipment is required by government regulations.

Throughout the periods of shutting down and starting up the plant again, every effort will be made to keep flaring to a minimum to avoid unnecessary inconvenience to the community.

home and hosed them in the back yard because they smelled as if they had been in a sewer.

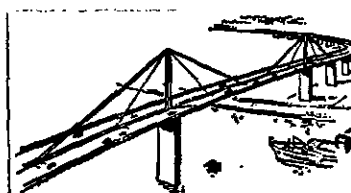

The Health Inspector's comments on the Mulga St. drain in the same issue of the Star was also enlightening. The smell and the look all around this area is appalling. I have seen rats running all around the sand here and rotting seaweed is fouling the water.

Friends and relatives ask how we stand the smell from the beach when the wind is from this direction and we do not take them down to the beach now because we are so ashamed of it.

If the Altona Council wants to be a really progressive council in every sense of the word, they could lead Victoria and perhaps Australia in the overcoming of pollution of our natural resources.

Yours sincerely,
MRS. G. KNELL.

START SAVING NOW

By FRANK FOY,
Australian Secretary,
Real Estate & Stock Institute
To encourage young people to save for the first home they own after marriage, the Commonwealth Government offers young married people, and young widowed persons with one or more dependent children, Home Savings Grants of up to \$500.

The grant is a tax-free gift not a loan.

Grants are payable to persons under 36 years of age at the rate of \$1 for each \$3 saved over a period of at least three years in one or more of the acceptable forms. The maximum grant payable to a married couple, or to a husband or wife if only one is eligible, or to a widowed person, is \$500 on savings of \$1,500 or more. Smaller grants are payable on lesser amounts saved.

The main forms of savings that qualify for a grant are:—
Home Savings Accounts with savings banks and fixed deposits with trading banks that have been designated "Home Savings Account".

Deposits with, or shares in, registered building or Co-operative Housing Societies. The above institutions provide the bulk of long-term loans for housing in Australia. By rewarding young people who have saved with these institutions the Scheme aims at increasing the funds available in Australia to build homes.

You should not wait until you are engaged or married before starting to save in one of the above forms. Start as soon as you enter employment to ensure that you will have held savings in an acceptable form for at least three years before taking steps to acquire your home. Statistics show that 15 per cent of men and 43 per cent of women are under the age of 21 when they marry.

The Scheme is explained in the pamphlet "A Grant For Your Home" which can be obtained free from any bank, building society, post office or office of the Commonwealth Department of Housing.

EXPRESS TRAIN TO ADELAIDE

A daylight express train will run from Melbourne to Adelaide on Good Friday (March 27) this year.

The Victorian Railways Commissioners said today that the daylight train would have air-conditioned sitting carriages and a dining car. The train would leave Spencer Street at 8.20 a.m. and stop to pick up passengers at Ballarat (10.23 a.m.), Ararat (11.52 a.m.), Horsham (1.12 p.m.) and Serviceton (3 p.m. Victorian time).

Each passenger on the train would receive a pamphlet that described points of interest about localities along the line on the 483-mile journey.

Return fares from Melbourne to Adelaide, with reserved seats in each direction would be by "The Overland", on which first-class passengers, for an additional \$3.70, could book sleeping berths for the overnight journey, if they so desired.

Bookings were now open at Spencer Street and Flinders Street railway stations all Victorian offices, metropolitan stations that booked interstate travel, country railway stations and authorised travel agents.

Dog obedience is fascinating

Those who visit the Footscray and District Hospital's Annual Fete will be given an opportunity of seeing dogs in "obedience" demonstrations.

The Hobsons Bay Obedience Dog Club will give two demonstrations at the fete on Saturday, March 14.

This club, which does a tremendous job for welfare organisations, also helps promote public interest in dogs, how you can better understand your animal and teach him to be a better dog.

Further details of this interesting programme will be given prior to the fete.

The branch meeting of Parents Without Partners Western Branch will be held on Saturday, February 7 at 8 p.m. Enquiries from 309-3895 and 379-5150. New members welcome.

RETURNED TO POLICE TO CONFESS

After giving a false name and address to the police Neville Warn, of Mayston St., Camberwell, felt guilty about what he had done and went back to the police station to confess.

At Williamstown Court on Friday he was fined \$20 for giving a false name and address, \$100 for driving without a licence and \$30 for driving with a blood count of more than .05. He was also disqualified from obtaining a licence for three months.

Const. Fawcett said Warn turned into Melbourne Road, from Ferguson St. He was travelling behind another car then started to accelerate and when he was only about 10 yards from the other car it stopped and he crashed into the rear of it.

A breath test showed a blood count of .160. Warn gave the police a name and address which was not true. He said he did not realise the car in front was stopping until it was too late. He had intended to overtake it.

Warn later returned to the station and admitted that he had given a false name and address. He said he had done this because he had no licence, but he realised he had been foolish and wanted to straighten things out.

Little Theatre seeking help with fundraising

The Williamstown Little Theatre is considering forming an Auxiliary or Supporters' Club to assist in fund-raising activities at the theatre.

It is felt there may be subscribers or other friends of the theatre who may be quite keen to assist the committee in these activities which could take place in the day time when the majority of the active members are at work.

The matter will be discussed at a Slide Evening on Sunday, February 8 at 8 p.m. Nell and Alec Colville will be presenting the first instalment of slides taken on their recent overseas trip.

Any interested folk who cannot attend this evening but would be interested in assisting with an Auxiliary or such could make contact by writing to P.O. Box 35, Williamstown.

THIEVES ACTIVE

When Mr. Cyril Smart, of Wood St., Newport, went on holiday he left his truck parked at the rear of the West Mason Auto Port. When he returned on January 19 he found that two batteries were missing from a cradle on the side of the truck. They were valued at about \$34.

Money and clothing belonging to Mr. Walter Roemer of Williams Rd., South Yarra, were stolen from his car at the Beach Car Park between 5 p.m. and 6 p.m. on January 18. The items, valued at \$40, had been left in the car when he changed to go swimming. Fortunately a gold watch worth \$130 which was in the car was not stolen.

A portable car radio worth \$100, belonging to Mr. Philip Bannister, of Durward Ave., Glen Waverley, was stolen from his locked car when it was parked on the car park at the rear of the Rifle Club Hotel on January 16.

Thieves entered a doctor's

While walking along Cecil St., Williamstown, on January 14 Mr. Arthur Loughran of Lyons St., Williamstown, was attacked and robbed. A person walked passed him and elbowed him in the face. He was then grabbed from behind by another person and hit in the ribs. The attackers then demanded his money and took about \$12.80 from his pocket.

A tent and knife, valued at \$50.75 were stolen from a shop in Nelson Place, Williamstown, on January 14.

Grants available for Freeway Access Roads

Money is available for reconstruction of routes which may carry more traffic after the opening of the West Gate Bridge and Lower Yarra Freeway, said the Premier, Sir Henry Bolte, in answer to a request from Mr. John Ginifer, Member for Deer Park.

Mr. Ginifer had sought a special grant for municipalities adjoining the West Gate Freeway to enable construction of approach routes to the Freeway.

Mr. Bolte said: "I have had the matter examined and have been advised that funds were allocated by the Country Roads Board this financial year to assist councils in improving routes which are in need of re-construction and which may carry additional traffic after the opening of the Lower Yarra Crossing. "I am also advised that the Country Roads Board would be prepared to consider requests from municipalities for financial assistance (within the limit of funds available) for specific projects on unclassified roads to improve approach routes to the Lower Yarra Freeway next financial year if the applications were submitted with appropriate priority in the Council's annual applications."

Leo Hernan, of Station Road, North Williamstown, was fined \$250 and disqualified from obtaining a driving licence for two years when he appeared before Williamstown Court on Friday.

DROVE UNDER THE INFLUENCE OF DRINK

He pleaded guilty to driving while under the influence of alcohol.

Const. Ahearn said he followed Hernan's car along Melbourne Road, Newport, and on two occasions it almost crossed the centre white line. The car was travelling at about 60 mph and was drifting across the two lanes of the road.

When he stopped the car the constable noticed Hernan's eyes were glassy, he smelt of alcohol and was unsteady on his feet. At the police station a breath test was taken and this showed a blood alcohol count of .230.

Hernan, who in 1967 had been fined \$150 for driving under the influence of drink, said he had been drinking during the day and at night and the alcohol content in his blood must have built up.

WATCH FOUND

A gent's inscribed wrist watch, which was found in the Beach Car Park on January 9, has been handed into Williamstown police and awaits a claimant.

FINES TOTAL \$70

Fines totalling \$70 were imposed on Lindsey Mills of Blackshaws Rd., Newport, when he appeared before Williamstown Court on Friday.

He pleaded guilty to driving with a blood count of more than .05 and to driving at more than 35 mph in a built-up area. He was also disqualified from obtaining a licence for three months.

Const. Ford said he followed Mills' car along Melbourne Road, Williamstown, and it was travelling at 55-60 mph. When he stopped the car he noticed Mills smelt of alcohol and a breath test showed a blood count of .115.

FAILED TO GIVE WAY

For failing to give way to a vehicle on the right at an intersection Vera Sherbak of Parsons St., Sunshine was fined \$20 at Williamstown Court on Friday.

Const. Stevens said he saw Sherbak drive along Ferguson Street to the intersection with Melbourne Road. A car was travelling along Melbourne Road on her right and had to brake heavily to avoid a collision.

When asked why she had not given way at the intersection Sherbak said she had been nervous.

Fruit Pickers wanted

Mr. J. W. Scott, District Employment Officer, Newport said today that labour is urgently required for the seasonal harvest work. The greatest need at present is in the Murray Valley area of Victoria where approximately 5,000 pickers are required for the grape harvest, which will commence in Sunraysia about 16th February.

Free return rail fares will be available to all pickers travelling to Mildura, Robinvale or Nyah West. Those travelling by car may expect to receive a contribution towards petrol costs, but each of these grants will be given only after completion of three weeks' satisfactory work.

Mr. Scott said that people interested in going to any harvest area in the State should first contact the Commonwealth Employment Service as the supply of Labour is co-ordinated having regard to the availability of jobs and the ripening of crops.

Full details of all employment in harvest areas, together with travel arrangements, accommodation, wages etc. are available at the District Employment Office and Mr. Scott requested those interested to register with him immediately. The address of his office is 430 Melbourne Road, Newport, Telephone 391-1844.

EASTER TRAIN BOOKINGS

The Victorian Railways expect to carry about 48,000 people on country and interstate trains during the coming Easter holiday period.

Announcing this today, the Victorian Railways Commissioners said that reservations for the country rail travel within Victoria for the holiday period would open on Monday (January 26).

Interstate reservations opened 12 months in advance. The majority of passengers were expected to travel from Melbourne on the Thursday evening prior to Easter (March 26), and on Good Friday morning (March 27). To cope with the exodus, 48 country and interstate trains would leave Melbourne after 4 p.m. on the Thursday, with a further 20 trains on Good Friday morning.

Special services would also run to take holidaymakers home in time for the resumption of work or school on either the Tuesday (March 31), or Wednesday (April 1) following Easter, concluded the Commissioners.

(ROUND 9)

Altona won a tight game against SSB at home on Monday and kept their hopes for the final four alive.

Captain John Cooney won the toss and elected to bat on a wicket which appeared to have the possibility of crumbling as the day went along.

Garde and Duckett opened for Altona and had scored 13 before Duckett was out lbw for 9 to a doubtful decision.

Cooney joined Garde and these two took the score to 54 before Cooney was out when trying to force the pace, being caught on the leg side.

Deller went in second wicket down but scored only 3 before being lbw to Kyle's first ball.

The fourth wicket, that of Brian Garde fell at 73 when he was unfortunately run out for an excellent 40. Jim Page and Alex Merrill then set about the task of scoring quick runs for Altona who at this stage were well behind the clock. Some good calculated hitting by Page with good running between the wickets by both batsmen took Altona score to 127 for 4 at the compulsory close at 35 overs.

Altona had the job of keeping SSB down below 3½ runs an over during the next two hours play.

Bob Dare opened with the wind with Terry Gray bowling against it.

Dare had first taste of success with an lbw from the last ball of his second over. Gray followed in his third over having Hall well caught by Naughton at slip. Gray and Dare bowled for 18 overs before Dare was replaced by Dave Naughton. Dare had bowled well but without luck to finish with 1 for 31.

Naughton had instant success having Kyle caught excellently by Jim Page from his first ball.

Wickets continued to fall to Gray and Naughton, backed up by some brilliant fielding and Altona had the opposition all out for 95 after 28 overs.

Altona won this game very well and it is to be hoped that they continue along this vein throughout the remainder of the season.

B GRADE

ALTONA BEHIND ON FIRST INNINGS

Altona won the toss and batted on a green wicket. Altona started drastically losing two wickets in the first over.

Frank Thomas and Gerry Sheehan then settled down and collected a few runs. Frank Kirk and Gordon Wilson carried the score along to 40. Paul Grant then came to the crease and with some steady batting and concentration Paul carried his bat and Altona were all out for 64.

Altona soon had South Port in trouble and wickets were falling frequently. With South Port's last man in to bat they still needed 2 runs to win and they got them with a snick through slips.

B GRADE WIN ONE-DAY GAME EASILY

Altona played Windsor in a one-day game at Como Park

Windsor won the toss and batted on a good wicket. After 20 overs from Gerry Sheehan and Frank Kirk, Windsor had only scored 50 runs for the loss of two wickets.

Rod Gray and Maurie Critchley then came on and had Windsor all out for 97 runs. Rod getting 4 wickets and Maurie 2.

Altona's fielding and back-ing-up was excellent. Altona opened up with Frank Thomas and Joe Grassby. The first wicket fell at 82, Joe going for 35. Frank then carried on to make 48 runs — a very good opening stand.

At the end of the 35 overs Altona were 2 for 117, winning easily on the first innings.

C GRADE

In a sensational last over Gary Tobin, of Spotswood, claimed three wickets to have Altona 5 for 35 in reply to Spotswood's 108.

Spotswood won the toss and decided to bat on a wicket which, although rather bare, appeared to have plenty of runs in it.

Maurie Critchley and Noel Michael opened the bowling for Altona and it was not until the twelfth over that a breakthrough was achieved, this coming when Picone was well caught by Rod Gray.

From 1 for 20 Spotswood lost wickets in quick succession and were 4 for 36 when Tobin joined Robbins. This pair added 47 runs before Robbins was bowled by David Hitchcock in what was to be a sensational last over before tea. The very next ball Ham was bowled and was followed by Connors on the next and Spotswood were 7 for 83 and David Hitchcock had achieved the coveted hat trick.

Shortly after tea Spotswood were all out for 108 with Hitchcock and Michael each snaring three wickets.

Altona, desperate for points in a late bid for the finals, will require a concentrated effort from the remaining batsmen to take out this game.

ALTONA C GRADE JUST MISS OUTRIGHT IN ONE-DAY GAME

In an exciting finish Altona failed by 13 runs to snatch an outright victory in the one-day game played last Monday.

On winning the toss Altona sent Hakoah in to bat on a green wicket. Altona had immediate success and after 40 minutes Hakoah were reeling at 6 for 28 due to fine bowling by Dick Conradi and Gordon Wilson. Altona were all out for 64.

Chasing quick runs Altona had no trouble in gaining first innings points and at tea declared at 2 for 70.

Hakoah, anxious to avoid outright defeat began their second innings cautiously and took little risk. However, good bowling by Michael and Cook saw Hakoah all out for 78.

In their second innings Altona attacked from the first ball and with Noel Michael in fine touch the runs began to flow. However, the task was beyond Altona and after the expiration of 7 overs 58 runs were on the board — an excellent effort.

ALTONA LITTLE ATHLETICS

ALTONA BOY'S BRILLIANT HIGH JUMP

Excellent performances by competitors contesting field events highlighted inter-club competition on Saturday.

A brilliant performance by H. Wylie (Altona) in clearing 1 metre 21 centimetres in the boys' under 10 high jump was only 7 centimetres outside the existing Victorian record.

P. Schnyder of Westona, recorded an excellent jump of 3.16 metres in boys' under 9 long jump whilst P. Wilsher jumped 8.88 metres in the boys' under 11 triple jump to win this event for Westona.

J. Rice of Westona competing in the girls' under 9 triple jump recorded an excellent jump of 6.77 metres. J. Haddad of Altona North, threw the discus 20.73 metres winning the girls' under 12 discus event.

TRAINING

Centre training conducted on Thursday evenings will now be confined only to those athletes eligible to compete in the Altona Centre Championships to be held on February 7 and 14 respectively.

ALTONA L.A.A. CLUB SPECIAL NOTICE

The Altona Club officials and the central executive are seriously concerned with the lack of parental support given to the 120 children who make up the membership of this club. The parents of children who are members of this club cannot reasonably expect that the needs of 120 children can be adequately catered for by two or three dedicated adults every Saturday during competitions.

Many of the children who compete for this club have shown outstanding athletic ability and have displayed obvious enjoyment in competition. Surely parents can lend their support at both club and centre level in the knowledge that they are assisting their own and other children to achieve athletic proficiency in clean, healthy competition.

TOWN PILE ON RUNS AGAINST KEW

Maintaining its recently improved batting form, Williamstown, in reaching the solid score of 247, is in an excellent position to register its seventh win for the season.

The team's strong position is due once again to its captain Robin Dyson, opener Barry McConnell and also Don McKenzie.

Upon winning the toss Dyson elected to bat but Town suffered an early setback when Kew's keeper, Davies, caught Hayward for 8 off the first ball of Wittingslow's second over.

Barry McConnell and his skipper set about improving the situation and in a splendid stand of 88 in 81 minutes they advanced the score to 96 before Barry was caught by Carr off Cust's bowling for 51, completed in 95 minutes.

At tea Town was strongly placed being 3 for 146 with Robin Dyson 61 not out.

The fall of two wickets, in-

cluding that of Dyson, put a brake on Town's scoring rate. From this point the scoring rate dropped and although the team reached its highest score for the season the final total was a little disappointing considering the earlier dominance of the batsmen.

Don McKenzie, who has found runs not easy to come by this season, battled hard in reaching his steady 43.

In his first game for the season John Becroft also had to struggle for his modest 21.

Finally Town was dismissed just before stumps for 247. Kew's captain, Jack Carr, 3 for 50, and Noel Cust, 3 for 60, were effective in the slowing down process for their team as was also George Wittingslow.

Williamstown look sure to win the match against Kew with 90 runs to make and 9 wickets in hand for first innings points.

The Town bowlers stuck to their task well in keeping Kew to 136 on a good wicket and perfect batting weather. It is hoped that Alan Harris who is no 16 not out can carry on in good vein and recapture his form of old.

Church Cricket

Declarations seemed to be the order of the day in Round 8 of Western Suburbs Protestant Churches Cricket Association last Saturday as the finals draw near and all teams are using every means to try to secure the extra points for outright wins.

Generally, runs seemed prevalent with the batsmen on top in most games.

In A Grade top scorers were Leon Bates of Barkly Street Methodists with 94, Alan Cocks of Newport Methodists 71, Gary Jackson and his brother Colin for Kingsville Baptists with 56 and 53 n.o., respectively, Richard Luke, 50 for Newport Methodists, with Tottenham Baptist's George Curwood the most successful bowler with 5-35.

Robert McInnes of Ballarat Road Methodists top-scored in B Grade with 71 for Ballarat Road Methodists whilst team-mate Russell Annear made 51, Ian Dougall got 68 for Newport Baptists.

Bowlers to shine included Jeff Holden with 5-57 for St. Eanswythe's, McQuillan 5-22 for Williamstown Methodists and Ray Booker with 5-70 for All Saints.

Russell Homewood of St. Andrew's, Williamstown, was the star in C Grade with 9-26 and 25 in a good double. J. Askew made 65 n.o. for Yarraville Presbyterians and Max Grimmett took 7-53 for Williamstown Methodists in the same game. Doran of Tottenham Baptists took 5-53.

Scores of the day's play are as follows:—

A GRADE

Tottenham Baptists, 1-66 (D. Just 28 n.o., A. Murray 18 n.o.) are well on the way to catch Newport Methodists.

WILLIAMSTOWN THIRD XI

Playing under ideal conditions, Williamstown scored 294 runs for 9 wickets against Malvern.

After a fair start Town lost 4 quick wickets to be 4 for 54, but Paul Hogarth, 54, and Bob Saltau, 19, helped the score to 129 for 6 wickets, but when Norm Snow came to the wicket Williamstown really took charge of the game and it was unfortunate to see Norm miss his century by 2 runs after a great innings.

Newport Cricket Club FIRST XI

Playing Murrumbidgee at home the locals failed to take advantage of winning the toss and collapsed from 2 for 74 to be all out for 145.

Consistent opener Ray Bamford batted well for his 36 as did John Stewart in putting together a valuable 35.

In reply Murrumbidgee at one stage were 2 for 10 but at stumps they were on top as they hammered some loose bowling to the tune of 51 runs off the last 7 overs sent down to finish at 2 for 72.

T. Russell 1 for 18, and G. Clark, 1 for 13, were the successful bowlers.

SECOND XI

Newport sent the opposition in on what appeared to be a poorly prepared strip but struck stubborn resistance from the later batsmen as they compiled a solid 204 runs.

Successful bowlers were K. Parker 1 for 30, J. Thompson 3 for 30, L. Swanson 2 for 47 and P. Humphries 2 for 17. In a whirlwind opening Newport were 0 for 33 at stumps off 4 overs with G. Colvin 20 n.o.

The Friendly Hospital—With An Envious Record

As long as 40 years ago a group of residents and business people in the Western Suburbs of Melbourne decided the district needed a General Hospital.

Their efforts came to fruition in 1953 when the Footscray and District Hospital opened its wards as a General Hospital. Also at the same time, the Hospital's School of Nursing commenced.

NURSING STAFF SHORTAGE? NO!

During the Hospital's 16 years of service to this vast growing industrial and residential area, it has never had to turn a patient away through lack of nursing staff.

THE FRIENDLY HOSPITAL

The Footscray and District Hospital has been given this title by patients, visitors and staff.

Next year the bed capacity will reach 320 making more beds for midwifery, orthopaedic and child patients. Perhaps then there could be a nursing problem, but Matron feels that her record will stand and the School of Nursing will enrol yet more trainees, also trained nurses and aides will seek to serve this Friendly Hospital.

MOTHER TO 35,000 BABIES!

This could be a record for a General Hospital of its size.

Assistant Matron, Midwifery, is Mrs. Amy Anderson, who has 30 years of nursing service, the last 16 years at the Footscray and District Hospital when she commenced in 1953 as the Labour Ward Charge Sister.

SCHOOL OF NURSING — A FINE RECORD

The Principal Nurse Educator, Miss Elizabeth Hughes, did her midwifery training at the Glasgow Royal Maternity Hospital and received her Sister Tutors Certificate at Edinburgh University.

Since the School of Nursing opened at the Footscray and District Hospital in 1953, Sister Hughes has seen 344 general nursing and 456 midwifery graduates pass through her school. The potential or capacity intake at the school is now 115.

"Invitation to Nursing" is the title of an interesting booklet published by the Hospital for the potential nurse, which is available on application to The Matron, Miss Mavis Mitchell.

NURSES' RESIDENCE

This accommodates 115 students and each nurse occupies a single room in a modern six storey building. The home has a main lounge with TV and visitors room on the ground floor. All other necessary facilities are available. The seventh floor also provides recreation room with TV, table tennis, stereo, etc.

IS THIS THE ANSWER?

Footscray and District Hospital is air conditioned, has modern wards and departments—a friendly atmosphere surrounded by lovely extensive lawns and gardens.

A dedicated nursing, medical and general staff with their only objective—good patient care.

THE FUTURE?

It is envisaged that in the seventies, the Hospital will be developed to a 500 bed hospital.

These extensions will create many opportunities for young ladies wishing to join the nursing profession.

The Footscray and District Hospital School of Nursing is also being extended to cope with an influx of trainees wishing to become a part of "The Friendly Hospital".

Leaving School? Don't Forget Health Insurance!

Generally speaking, dependent children up to 16 years of age are covered by their parents' membership for hospital and medical benefits.

This coverage usually extends to 21 years for full time, unmarried students who have no taxable income. The rules of each health insurance fund vary a little on these points.

However, when students cease to be dependants they need to contribute on their own account if they are requiring protection against the costs of medical and hospital treatment.

Young people starting work are well advised to join a hospital and medical benefits scheme because hospital and medical care is not cheap. A visit to the doctor's surgery costs \$2.80, a home visit is \$4.20 and weekend and after-hours calls are usually more expensive.

Public ward treatment in hospitals is \$70 per week, with private ward treatment ranging up to \$126 per week.

The young in the community may not be as susceptible to some illnesses as older people, but a bad cut from glass on the beach, a broken ankle in a social football match, appendicitis, can all be costly.

If you are about to start work, make arrangements to transfer from your parents' membership and start contributions in your own name.

If you are still a student but have reached 21 years of age, you should find out if you are still covered by your parents' health insurance.

Duck Shooting Licences In Victoria

The Director of Fisheries and Wildlife, Mr. A. Dunbavin Butcher, announces that the cost of a Victorian Game Licence for 1970 remains at \$2 and is not being increased to \$4 as is the case in New South Wales.

A recent announcement in the press by Dr. D. F. McMichael, Director of National Parks and Wildlife Service in N.S.W., stated that N.S.W. Duck Licences have been increased to \$4 in line with those of other States.

This is incorrect.

A Victorian Game Licence costs \$2 and can be obtained from Victorian Police Stations, R.A.C.V. Offices, Government Tourist Bureaux and the Department of Fisheries and Wildlife and its country officers, all between 9 a.m. and 5 p.m.

The Victorian Duck Season extends from February 21 to April 25, 1970, both dates inclusive.

All duck hunters are urged to obtain their licences before the opening of the season and when buying these are requested to ask for their copy of the Shooters' Handbook.

RUBY FISHER BOWLING CHAMPION FOR THE FOURTH TIME

Ruby Fisher, for the fourth time, is Consistency Champion of Altona Ladies Bowling Club. In the final she defeated Jan Douglas (also a former title-holder) by two points.

Marker for the match was Queenie Cox who donated the consistency shield back in 1961.

Three regular players were unavailable for last week's pennant game and selectors had the task of re-arranging the A2 side, due to play Buckley Park who were 10 points ahead on percentage.

However, Altona won. Results were: J. Douglas (c.), V. Turner, I. O'Donnell, E. Martin.

R. Fisher (c.), C. Ford, Q. Cox, V. Sevier.

E. Flynn (c.), E. Olliver, L. Walsh, R. Shaw.

W. Neal (c.), J. McNeillage, E. Beyer, G. MacKellar.

B2 Division, Section 1, were defeated by Newport.

B. Tribe (c.), M. Woodyard, V. Douglas, A. Deacon.

D. Gadsden (c.), D. Watson, P. Stephens, I. Nickels.

Last week Edna, Phyl, Jan and Irene had the pleasure of seeing their husbands (playing as a team) finish equal third in the Footscray City Men's Fours.

They went down to a Yarraville-Seddon team who then went on to win the final. It was only the last bowl from the competing skipper which defeated George Russell (c.), Ian Douglas, Lea O'Donnell and Jim Stephens.

WESTERN SUBURBS TABLE TENNIS

Stephen Hayes starred in Kingsville's win over Newport in the ninth round of the WSTTA "A" pennant.

Stephen won three rubbers including a win over aggregate leader Alan Coustley.

Newport went down fighting, losing 6-5-12-15-47-491. Best player for Newport was Alan Coustley with two rubbers.

Liston-Esplanade were a little too strong for an improving Polonia, winning 7-4. Polonia had two consistent players in Jan Sroka and Kris Lubowiecki, both winning two rubbers. Lubowiecki showed improvement after a season in A Grade.

However, Liston's Peter Whelan was undefeated on the night with 3 rubbers, which clinched the match for Liston.

In B1 veteran Dick Ross was the lone representative for Footscray and although he won 3 rubbers Footscray lost 3-8 to Maribyrnong.

Australian Glass showed a return to form to down Centre in B1 (J. Wylie, K. Lambert, Chris Slattery). Although Kevin Lambert won his 3 singles rubbers, AGM, with superior doubles play, held off Centre to win 6-5.

Reckitt & Colman in B2 showed too much class for Altona, winning 8-3. Ted Powell and Ron Wendt for Reckitt were undefeated in singles play on the night.

Closest match in C2 was between Goetz and Union Carbide. Both sides were below top form, but grade leaders Goetz struggled to a 6-5 victory.

Oliver Davey in C3 defeated Altona 7-4. With the right approach to the game Oliver Davey could topple the leading sides in this grade.

Despite tough opposition from enthusiastic new side, Explosives (D3), Snappers, after being down 4-5, fought back to win the last 2 singles and the match 6-5.

Reckitt & Colman, the side to beat in this grade, won easily from Ballarat Road Methodists at 9-2. Graham McKinnon was best player for Reckitt with 3 wins.

Match of the night in D4 was between F.E.W. and Reckitt & Colman ladies team (Mrs. Duncan, Pat Berry and Von Freeman). F.E.W. downed previously undefeated Reckitt team 6-5 to issue a definite challenge for premiership honors.

The two leaders clashed in E2 and North Footscray came out the victors at 7-4. Newport Post Office 2 were not disgraced, however, as they did not field their strongest team, and this grade looks set for an interesting final series.

A steadily improving Sun-

shine in E2 (Mrs. Simpson, Gayle Bantz, Maureen Howlett and Pat Izzard) played well against Esso Tigers, but lost narrowly 5-6. Rarely beaten, Mrs. June Simpson won 3 rubbers for Sunshine, while for Esso, Lloyd and Evans scored 2 each.
